*Panel discussion on "State of the evidence in autism treatment"*

**Peter Gerhardt, EdD**

Organization for Autism Research  
*Behavior analytic interventions to support quality of life in adults with autism*

Keynote Address by

**Ed Morris, PhD, BCBA**

University of Kansas  
*The Gernsbacher Lectures: The Good, the Bad, and the Ugly – My Bad*

### WisABA Social

**Tuesday August 17  
4:00 to 6:00 PM**

**on the shores of Lake Mendota**

*Cash bar and a "Meet and greet"  
Music by the Suzuki Strings*

A group of students at various levels from Suzuki Strings of Madison will perform as a group, "Suzuki style." The Suzuki Method parallels applied behavior analysis in many ways, including developing a sequenced hierarchy to teach skills, practicing skills to fluency, and utilizing motivation and positive reinforcement.

***Come and join us!***

## ***Moving Forward in Wisconsin***

The 3<sup>rd</sup> annual conference of the  
Wisconsin Association for Behavior Analysis

**August 16, 17 & 18, 2010**  
**UW-Madison Memorial Union**  
(<http://www.union.wisc.edu>)

This is a three-day conference for teachers, professionals, students and parents interested in contemporary, leading-edge techniques in effective behavioral therapy. Join others who will gather for workshops, invited presentations, informal discussions and opportunities to network with national experts in applied behavior analysis.

This year's conference is located on the UW-Madison campus, on the shores of beautiful Lake Mendota.

Partially funded by the Centers for Medicare and Medicaid,  
Medicaid Infrastructure Grant, CFDS # 93.768, Department of  
Health Services/Pathways to Independence
